

Proposed Platform Changes Process

Any Active member of LCDCC may propose an amendment /platform change to be considered/processed during a Presidential Election Year during the LCCCD Convention.

New proposal request form will be available via the website or can be emailed or mailed.

For presenting or voting on proposed changes. Roberts Rules of Order Revised Edition 12 will be followed.

The Executive Committee will review all requests and instruct the Secretary of next steps. (move to meeting agenda, return for clarification, reject, etc)

The process document of the Motion to Amend will:

1. Strike out words, sentences or paragraphs
2. Insert (or add) words, sentences or paragraphs.
3. Strike out and insert (or substitute) words, sentences or paragraphs
4. Add a new amendment to the LCDCC Platform.

This process will NOT address Revision of the Platform which is an extensive rewrite and would be a separate small committee task .

Data Capture Form:

- Name of person proposing the amendment.
- Address
- Phone Number
- Email Address
- Date
- Explanation in detail of the request for changes:
 - Simple correction
 - Additional information for clarity
 - New plank/ amendment
